Important License Renewal Note: License Renewal Applications for Ohio and Michigan radio stations were due on or before June 1, 2020. Once your 2020 radio license renewal application is granted, certain material can be removed from your online public file. This checklist is specifically prepared for full service radio and television stations licensed to Ohio and Michigan for which a renewal application was timely filed and granted during the last renewal cycle. If your 2012 (radio) or 2013 (television) license renewal application has not yet been granted, do not use this checklist. Network-owned television stations have additional responsibilities for materials in the public file.
